**VOTE**: Yes or No or Abstain

3. **Authorize**: The Governing Board to divest the Selah property

**VOTE**: Yes or No or Abstain

**Explanation:** According to the by-laws, Article IV, section 3 the Governing Board will refer significant matters to the congregation... (such as) purchase or sale of real property.

As we have stated, the need to sell Selah is driven by the increased requirements to maintain the property, not by a financial need. We will seek to optimize the legacy value with the real property value in our search for future prospective buyer/owner.

4. **Election**: Governing Board Slate
